A History of the English Language By Elly van Gelderen

This exceptionally clear text focuses on internal changes in the English language. It outlines the history of English from pre-Old English times to the present. Not only does it present the traditional morphological descriptions of the various stages of the language, it provides many example sentences, texts, and cartoons that are analyzed for the benefit of the student and which make this book ideal for class use. Some language-external topics are covered such as early printing and authorship debates. Tables and figures complement the material covered and exercises review the main points as well as ask further, more challenging, questions. Answers to the exercises are provided, as is a time line listing some of the external events, and some guidance on how to use the OED. Complementary web site information is provided throughout the book, and a companion web site accompanies the book.

Editorial Review

Users Review

From reader reviews:

Richard McCain:

The book A History of the English Language can give more knowledge and also the precise product information about everything you want. Exactly why must we leave the good thing like a book A History of the English Language? Wide variety you have a different opinion about publication. But one aim that book can give many data for us. It is absolutely suitable. Right now, try to closer with the book. Knowledge or details that you take for that, it is possible to give for each other; you could share all of these. Book A History of the English Language has simple shape nevertheless, you know: it has great and big function for you. You can appear the enormous world by open and read a reserve. So it is very wonderful.

Patricia Whitmore:

As people who live in often the modest era should be change about what going on or info even knowledge to make these keep up with the era which is always change and make progress. Some of you maybe will update themselves by looking at books. It is a good choice for you but the problems coming to an individual is you don't know what one you should start with. This A History of the English Language is our recommendation to help you keep up with the world. Why, because this book serves what you want and need in this era.

Fred Dean:

This A History of the English Language is great guide for you because the content and that is full of information for you who all always deal with world and have to make decision every minute. This kind of book reveal it data accurately using great plan word or we can claim no rambling sentences included. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but challenging core information with wonderful delivering sentences. Having A History of the English Language in your hand like keeping the world in your arm, information in it is not ridiculous a single. We can say that no book that offer you world in ten or fifteen moment right but this book already do that. So , this really is good reading book. Hey there Mr. and Mrs. stressful do you still doubt in which?

Wanda Holmes:

Book is one of source of knowledge. We can add our know-how from it. Not only for students but native or citizen require book to know the update information of year to year. As we know those guides have many advantages. Beside all of us add our knowledge, can also bring us to around the world. By book A History of the English Language we can have more advantage. Don't someone to be creative people? For being creative person must like to read a book. Just simply choose the best book that suitable with your aim. Don't become

doubt to change your life with this book A History of the English Language. You can more appealing than now.
