Bite-Size Einstein: Quotations on Just About Everything from the Greatest Mind of the Twentieth Century From Gramercy

This little volume is chock-full of fun and intriguing quotes from everyone's favorite scientist: Einstein. Read what he has to say about life, morality, philosophy, art and music, science and mathematics, politics, religion, social issues, war and peace, and himself. His views on life, religion, philosophy, and many other issues are as relevant today as they were when he was living. Including a brief biography of the physicist and an amusing bit of doggerel by Einstein himself, *Bite-Size Einstein* reveals his brilliant perspective on the human condition.
