End Times and the Secret of the Mahdi: Unlocking the Mystery of Revelation and the Antichrist By Michael Youssef

As our world seems to be spinning out of control, where should we turn for insight into the end times?

End Times and the Secret of the Mahdi is an action plan for living confidently in these turbulent and uncertain times. In this exciting new book, Dr. Michael Youssef examines current events in light of end times prophecies, revealing: *

- Striking parallels between the Antichrist of Revelation and the Mahdi of Islam *
- The rise of ISIS and other events leading to the end times *
- The movement toward a one-world government *
- Insights into the events of the Great Tribulation

Though most of Revelation deals with future events, this book is not primarily about the future. It's about the present -- your present.

As you read these pages, you will be encouraged to stand for truth without compromise as God moves human events toward a dramatic and triumphant conclusion. And even when it appears that evil is winning, you will be assured by God's promises and filled with eager expectation for our Lord's return.
