Editorial Review

From Library Journal

Chafets, an American-born Israeli journalist who was director of the Israeli Government Press Office (1977-82), has written a wry, perceptive account of his adopted country. Unlike Amos Oz, whose recent *In the Land of Israel* (LJ 11/15/83) portrayed a country bereft of idealism and torn apart by extremists, Chafets writes from a positive perspective. While he never minimizes Israel's problems or offers glib solutions, he celebrates the average Israeli's ability to live with myriad contradictions: there is a tennis-playing insurance executive who goes off to war every few months; a prostitute who boasts of her descent from a famous rabbi; a Chinese restaurant and a Talmudic academy in the same building. Chafets's engrossing analysis of Israel belongs in most libraries. Andrea Caron Kempf, Johnson Cty. Community Coll. Lib., Overland Park, Kan. Copyright 1986 Reed Business Information, Inc.

Users Review

From reader reviews:

Virginia Carter:

The book *Heroes and Hustlers, Hard Hats and Holy Men: Inside the New Israel* make you feel enjoy for your spare time. You can use to make your capable far more increase.
