Editorial Review

Review

"Black's survey is a dispassionate, invaluable beam of light. This everyman's guide to impeachment outlines the process leading to the removal of a president by congress, places it in historical perspective, [and] discusses the conundrums that spring from it. It provides a major contribution to sanity in our government." -
- *Newsweek*

"The measure of his book's achievement is that it tells the reader not what to think but what to think about." -
- *Time*
