Review

"I have chosen *Society in Focus* because of its appeal to students, its organization, and its contemporary approach to social issues."

Betty Daughenbaugh

Wor-Wic Community College

"*Society in Focus* has solid coverage of major concepts and principles, plus the inclusion of globalization and technomedia themes make it very timely."

Michael Miller

University of Texas - San Antonio

"Our faculty chose the text for several reasons: it possesses a rich yet focused approach to instruction, it is very current in recent research and thematic developments in the discipline, and it is rather grounded substantively; using popular culture references where appropriate - which gives greater context to sociological concepts."

Terence Stewart

"The text provides integration of sociological theory throughout each chapter, and is very readable and affordable."
