The Uniform System of Accounts for Restaurants (8th Edition) By National Restaurant Association

The Uniform System of Accounts for Restaurants: A Guide to Standardized Restaurant Accounting, Financial Controls, Record-Keeping and Relevant Tax Matters, Eight Edition introduces readers to a standard account classification system usable by most restaurant operators. It is meant to be a straightforward and nontechnical guide to standardized restaurant accounting, financial controls, and record keeping and relevant tax matters. It is geared primary toward single-unit or small multiunit independent restaurant operators who need practical ways to maximize the usefulness and value of their restaurant(s).

The gold-standard for nearly 50 years, this publication is extremely useful to culinary, hospitality and food service educators in presenting restaurant managerial accounting concepts to their students. In addition, accountants might benefit from this publication to help organize financial statements in a way that best serves their independent restaurant clients.
