A Heart for Robbie By Jp Barnaby, J. P. Barnaby

Celebrated Young Adult author Julian Holmes pits the heroic characters in his *Black Heart* series against all different kinds of monsters. But when a critical heart defect threatens his son's life, he finds he has no champion. No amount of books, classes, or practice can prepare Julian for the fight to save his beautiful son's life.

Suddenly there are hospitals, transplant lists, and the nightmare of insurance red tape to navigate. In the midst of his trouble, Julian meets Simon Phelps, the insurance coordinator for Robbie's case. Simon lives so deep in the closet he might never find his way out, but he dreams of exactly what Julian has. Then one night, drunken need and desperation brings them together, and a new fight begins.

Editorial Review

Users Review

From reader reviews:

Gary Kruse:

Reading can called imagination hangout, why? Because when you find yourself reading a book specially book entitled A Heart for Robbie your thoughts will drift away trough every dimension, wandering in most aspect that maybe mysterious for but surely can become your mind friends. Imaging each word written in a publication then become one contact form conclusion and explanation in which maybe you never get prior to. The A Heart for Robbie giving you an additional experience more than blown away the mind but also giving you useful information for your better life within this era. So now let us show you the relaxing pattern the following is your body and mind is going to be pleased when you are finished studying it, like winning a game. Do you want to try this extraordinary spending spare time activity?

John Whetstone:

Reading a book to be new life style in this calendar year; every people loves to learn a book. When you study a book you can get a large amount of benefit. When you read books, you can improve your knowledge, simply because book has a lot of information on it. The information that you will get depend on what kinds of book that you have read. If you would like get information about your study, you can read education books, but if you want to entertain yourself read a fiction books, this kind of us novel, comics, and also soon. The A Heart for Robbie will give you a new experience in examining a book.

Joyce Greenberg:

As we know that book is essential thing to add our knowledge for everything. By a book we can know everything we wish. A book is a range of written, printed, illustrated or maybe blank sheet. Every year was exactly added. This book A Heart for Robbie was filled with regards to science. Spend your time to add your knowledge about your science competence. Some people has diverse feel when they reading the book. If you know how big benefit of a book, you can truly feel enjoy to read a publication. In the modern era like right now, many ways to get book that you simply wanted.

Judith Ellis:

As a pupil exactly feel bored in order to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just very little students that has reading's soul or real their passion. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading really. Any students feel that studying is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on

this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this A Heart for Robbie can make you truly feel more interested to read.
