America's Providential History (Including Biblical Principles of Education, Government, Politics, Economics, and Family Life) By Mark A. Beliles, Stephen K. McDowell

Even "Newsweek" now admits: "Historians are discovering that the Bible, perhaps even more than the Constitution, is our founding document." In this enlightening book, you'll discover the remarkable evidence for this truth. Based on the assumption that all history is Providential (i.e., it reflects God's purposes) you'll learn how God's presence was evident at our nation's founding in the hearts and minds of the men who fought for independence and shaped the Constitution. Numerous illustrations, portraits, and visual aids make this book a valuable resource.
