Cambridge International AS and A Level Chemistry Coursebook with CD-ROM (Cambridge International Examinations) By Roger Norris, Lawrie Ryan

Covers all the requirements of the Cambridge International AS and A Level Chemistry syllabus (9701). Written by highly experienced authors, Cambridge International AS and A Level Chemistry comprehensively covers the Cambridge syllabus and is now available in both print and e-book formats. Simple and clear language, colourful photos and international examples make this book accessible to students around the world. Exam-style questions at the end of each chapter reinforce knowledge and skills and offer thorough exam practice. The print book includes a Student CD-ROM of supplementary materials including test-yourself-questions, study skills guidance, animations and advice on the practical examination. These supplementary materials (with the exception of the animations) are also included in the e-book version.
