### The Road to Oxiana By Robert Byron

In 1933, the delightfully eccentric travel writer Robert Byron set out on a journey through the Middle East via Beirut, Jerusalem, Baghdad and Teheran to Oxiana, near the border between Afghanistan and the Soviet Union. Throughout, he kept a thoroughly captivating record of his encounters, discoveries, and frequent misadventures. His story would become a best-selling travel book throughout the English-speaking world, until the acclaim died down and it was gradually forgotten. When Paul Fussell published his own book *Abroad*, in 1982, he wrote that *The Road to Oxiana* is to the travel book what "*Ulysses* is to the novel between the wars, and what *The Waste Land* is to poetry." His statements revived the public's interest in the book, and for the first time, it was widely available in American bookstores. Now this long-overdue reprint will introduce it to a whole new generation of readers. This edition features a new introduction by Rory Stewart, best known for his book *The Places In Between*, about his extensive travels in Afghanistan.

Today, in addition to its entertainment value, *The Road to Oxiana* also serves as a rare account of the architectural treasures of a region now inaccessible to most Western travelers, and a nostalgic look back at a more innocent time.

## **Editorial Review**

### Review

"A brilliantly-wrought expression of a thoroughly modern sensibility, a portrait of an accidental man adrift between frontiers" New York Review of Books "The Road to Oxiana is part travelogue, part aesthetic manifesto and part social observation; it remains the most thoroughly readable of all books. And Byron is the ideal companion, witty, charming, irascible, and content to leave and be left alone" The Times "The Road to Oxiana is an informed, somewhat high-flown account of the early Islamic architecture of Persia and Afghanistan wrapped in a comic narrative that ensured a far wider readership... Funny, didactic and biting, Byron's masterpiece transports us across the world and, better still, across the decades to splendidly alien lands" Independent "My favourite travel book is Robert Byron's The Road To Oxiana, which started a new wave of travel writing. I took it on my first trip to Iran. I always take books about the places I'm visiting: I sat in a ruined mosque now populated by sheep and read Byron's wonderful descriptions of it. I think that sowed a seed for the Travel Bookshop" -- Sarah Anderson, founder of The Travel Bookshop "I love literary travel books and this is the best one in the English language. Scholarly, eccentric and wildly opinionated" -- Tudor Parfitt Geographical

### From the Inside Flap

In 1933 the delightfully eccentric Robert Byron set out on a journey through the Middle East via Beirut and Jerusalem.

### About the Author

**Robert Byron** was born in England in 1905 into a family distantly related to Lord Byron. He attended Eton and Merton College, Oxford, and wrote several travel books before his untimely death in 1941, while serving as a correspondent for a London newspaper during World War II.

## **Users Review**

### **From reader reviews:**

#### **Erin Mohammad:**

Reading a e-book tends to be new life style in this particular era globalization. With examining you can get a lot of information that can give you benefit in your life. Together with book everyone in this world could share their idea. Guides can also inspire a lot of people. Plenty of author can inspire their own reader with their story or their experience. Not only the storyplot that share in the books. But also they write about the information about something that you need example of this.
