Themes in Roman Society and Culture: An Introduction to Ancient Rome

From Oxford University Press USA

Themes in Roman Society and Culture is a core contributed volume that provides a thematic introduction to fundamental aspects of Roman society—its composition, institutions, structures, and cultural products—with major focus on the period 200 BCE to 200 CE. This engaging introduction challenges students to consider Roman society as a complex web of social relationships, economic dynamics, legal structures, and religious beliefs, informed by the physical environment in which it developed rather than a series of chronological events. Each chapter is written by an active Canadian researcher and teacher in the field, which gives students a sense of the relevant evidence and an assessment of the current state of scholarship, preparing them to pursue more nuanced, thoughtful, and complex research into Roman life or history.

Editorial Review

Review

"The major strength of the book is its thematic approach. It does a good job of introducing readers to some of the key issues of Roman culture and society."

--David Meban, University of Regina

"This is an excellent book that I'm very much looking forward to using. It is thoughtful and challenging while remaining accessible."

--Adam Kemezis, University of Alberta

About the Author

Matthew Gibbs is an assistant professor at the University of Winnipeg. He has published numerous articles on the history of ancient Rome.

Milo Nikolic is an assistant professor at Memorial University. His research interests include Roman agricultural practices as well as ancient water and aqueducts.

Pauline Ripat is an assistant professor at the University of Winnipeg. A contributor to several edited volumes in classical studies, including the forthcoming *Cheating Women: Curse Tablets and Roman Wives* (OUP UK), Ripat commonly teaches introductory Latin and Greek and Roman society courses.

Users Review

From reader reviews:

Joseph Tucker:

The e-book untitled Themes in Roman Society and Culture: An Introduction to Ancient Rome is the reserve that recommended to you to learn. You can see the quality of the book content that will be shown to anyone. The language that creator use to explained their way of doing something is easily to understand. The writer was did a lot of analysis when write the book, hence the information that they share to your account is absolutely accurate. You also could get the e-book of Themes in Roman Society and Culture: An Introduction to Ancient Rome from the publisher to make you more enjoy free time.

Chad Foster:

A lot of people always spent all their free time to vacation or perhaps go to the outside with them loved ones or their friend. Are you aware? Many a lot of people spent these people free time just watching TV, or playing video games all day long. If you wish to try to find a new activity that is look different you can read some sort of book. It is really fun in your case. If you enjoy the book you read you can spent the whole day to reading a publication. The book Themes in Roman Society and Culture: An Introduction to Ancient Rome it is rather good to read. There are a lot of people that recommended this book. These were enjoying reading this book. If you did not have enough space to bring this book you can buy the particular e-book. You can

more quickly to read this book from the smart phone. The price is not too costly but this book has high quality.

Corey Smith:

People live in this new morning of lifestyle always try to and must have the free time or they will get great deal of stress from both lifestyle and work. So , once we ask do people have spare time, we will say absolutely without a doubt. People is human not really a huge robot. Then we ask again, what kind of activity do you possess when the spare time coming to a person of course your answer will probably unlimited right. Then do you try this one, reading ebooks. It can be your alternative in spending your spare time, typically the book you have read is actually Themes in Roman Society and Culture: An Introduction to Ancient Rome.

Sharon Baker:

This Themes in Roman Society and Culture: An Introduction to Ancient Rome is great publication for you because the content that is full of information for you who always deal with world and have to make decision every minute. That book reveal it data accurately using great coordinate word or we can state no rambling sentences inside it. So if you are read the idea hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with wonderful delivering sentences. Having Themes in Roman Society and Culture: An Introduction to Ancient Rome in your hand like obtaining the world in your arm, info in it is not ridiculous a single. We can say that no guide that offer you world with ten or fifteen tiny right but this publication already do that. So , this is certainly good reading book. Hi Mr. and Mrs. stressful do you still doubt in which?
