Editorial Review

From Publishers Weekly

In his timely follow-up to the definitive *Educating for Character*, Lickona plucks the burden of moral corruption from society at large and plants it squarely in the laps of parents and teachers. He describes a society nearly bereft of character, and proposes that the solution is to awaken children's social consciences. Through a series of grim statistics and anecdotes from his research as a psychologist and educator, Lickona illuminates a culture that is lost (but not hopelessly), due largely to an overemphasis on academic achievement in lieu of formal character education. "The disturbing behaviors that bombard us daily—violence, greed, corruption, incivility, drug abuse, sexual immorality, and a poor work ethic—have a common core: the absence of good character." He defines 10 essential virtues that comprise good character and prescribes a six-part remedy, including modeling virtuous behavior, building a strong home-school partnership and getting involved with communities. Quotes from Aristotle, Martin Luther King Jr. and others make more eloquent points for why character matters, but the author's passion for creating a more civil and harmonious world is evident and inspiring. Lickona admits that changing the moral fiber of an entire generation is a lofty goal and that his solutions are ambitious: "The social-moral problems that beset our society have deep roots and require systematic solutions." However, this book can be one small step along that path, if it finds its way into the right hands.

Review

Hal Urban author of *Life's Greatest Lessons* Our job as parents and teachers is to bring out the best in our kids. This marvelous book can be of immeasurable help.

Dr. Stephen R. Covey author of *The 7 Habits of Highly Effective People* What an absolutely marvelous book! Greatly needed in restoring the character ethic in a techno/materialistic-obsessed world. Character is primary greatness; prestige is secondary greatness. Extremely valuable practical resource for every parent and teacher. Great gift book.
