**City of Glass (New York Trilogy)** By Paul Auster

**From Paul Auster, author of the forthcoming *4 3 2 1: A novel* – his debut work of fiction, the first volume in his acclaimed “New York Trilogy” series of novels**

Nominated for an Edgar Award for Best Mystery of the Year, *City of Glass* inaugurates the intriguing New York Trilogy of novels that the *Washington Post Book World* has classified as "post-existentialist private eye...It's as if Kafka has gotten hooked on the gumshoe game and penned his own ever-spiraling version." As a result of a strange phone call in the middle of the night, Quinn, a writer of detective fiction and crime books, becomes enmeshed in a case more puzzling than any he might have written. *New York Times*-bestselling author Paul Auster combines dark humor with Hitchcock-like suspense to *City of Glass*.

### Editorial Review

From Publishers Weekly

When a stranger calls on Daniel Quinn's phone asking to speak to Paul Auster (supposedly a detective), Quinn claims to be Auster and soon is drawn into a case involving a man who fears his father is trying to kill him. "An impressive if not major work," PW concluded.

Copyright 1987 Reed Business Information, Inc.

From Library Journal

Daniel Quinn, author of a series of detective pot-boilers, accepts an assignment as a real private investigator from a man who dials his phone number by mistake. His mission: to keep an eye on the man's father, a former linguistics professor who has spent time in jail for bizarre childrearing experiments. Quinn quickly loses track of both his client and the suspect, as well as his own apartment and belongings, and finally his identity. This metafictional mystery, reminiscent of Robbe-Grillet's anti-novel *The Erasers*, challenges conventional notions of character and plot. However, unless the remaining volumes of this projected trilogy provide more depth and substance, Auster's previous book, *The Invention of Solitude*, will probably remain the best introduction to his work. Edward B. St. John, Loyola Marymount Univ. Lib., Los Angeles

Review

"Remarkable. . .the book is a pleasure to read, full of suspense and action. . .[A] strange and powerful adventure in Paul Auster's art."

– *The New York Times Book Review*

"Exhilarating. . .A brilliant investigation of the storyteller's art, guided by a writer-detective who's never satisfied with just the facts."

– *The Philadelphia Inquirer*

"A wondrous whodunit for metaphysicians, an intricate detective story and many-layered romance."

– **Russell Banks**

### Users Review

**From reader reviews:**

**Johnny Mosier:**
