Editorial Review

Review

"We have come a long way from 1972 when AMCD was initially chartered as the Association of Non-White Concerns in Personnel and Guidance. Derald Wing Sue and David Sue's new book, COUNSELING THE CULTURALLY DIVERSE, opens with a giant bull's-eye that very elegantly depicts the current conceptualization of multiculturalism and diversity. This conceptualization is complex, with a focus on addressing multiple components and layers such as race, gender, sexual orientation, religious preference, culture, disability/ability, ethnicity, geographic location, age and even marital status." —Counseling Today (ACA publication), David Kaplan, President of ACA
