How Much Is Enough? Making Financial Decisions That Create Wealth and Well-being By Arun Abey, Andrew Ford

How can millions of readers come to grips with their financial situation at a time when nothing seems to be enough? Arun Abey and Andrew Ford believe that the answer lies beyond the balance sheet in the heart and spirit of the individual investor. Having advised investors around the globe, the authors dig deep into the latest economic and social research as they bridge the worlds of financial security and personal well-being. Their book guides readers through a holistic approach to financial planning, one based on the fact that money is only one element in the overall chemistry of a happy life. Readers will learn how to manage their investment portfolios in coordination with their aspirations.

Brilliantly combining economics and social thought, *How Much Is Enough* promises to revolutionize the investment world. Complete with succinct economic advice as well as stories from those who have found peace beyond their bank accounts, the book gives readers the confidence to pursue their own paths toward a secure and fulfilling future. Find happiness and wealth will follow.
