Editorial Review

From [Booklist](#)

Starred Review The last time Peregrine Dalmay, the Earl of Lisle, got involved with Olivia Wingate-Carsington airs and one of her “ideas,” he found himself on a mad chase across England in search of pirate treasure. This time she’s focused on a dark and dreary Scottish castle rumored to be inhabited by ghosts. Once Olivia discovers that his parents, the Marquess and Marchioness of Atherton, are insisting that he give up his archaeological work in Egypt and take over renovations on Gorewood Castle or else they will cut off his funds, she comes up with a brilliant plan. Together the two friends—along with suitable chaperonage—will travel to Scotland, where Olivia will help get the renovation plans back on track so Lisle can leave for Egypt in the spring. It sounds so reasonable, but nothing involving the scandalous Olivia ever is. Once again RITA-award-winning Chase deftly spins witty writing, wonderfully quirky secondary characters, and two perfectly matched protagonists struggling against their inevitable romantic fate into literary gold. Delightfully clever and deliciously sensual, *Last Night’s Scandal* is the perfect romance. --John Charles

From the Back Cover

After surviving the perils of Egypt, Peregrine Dalmay, Earl of Lisle, is back in London, facing the most dire threat of all: his irrational family . . . and Miss Olivia Wingate-Carsington. A descendant of notorious—but very aristocratic—swindlers, the delectable redhead has the ability to completely unhinge him and a long history of dragging him into her scandalous schemes.

Olivia may be Society's darling, but she's aware a respectable future looms menacingly. And so when Lisle is forced to go on a family mission, she sees this as the perfect chance for one last adventure—even if it is with the one man in the world she can't wrap around her finger. But really, she only wants to *help* . . .

Which is why Lisle and Olivia find themselves in a gloomy Scottish castle inhabited by spiteful ghosts and craven murderers . . . and a shocking secret: the greatest peril of all may be burning within their own stubborn hearts.

About the Author

Loretta Chase has worked in academe, retail, and the visual arts, as well as on the street—as a meter maid—and in video, as a scriptwriter. She might have developed an excitingly checkered career had her spouse not nagged her into writing fiction. Her bestselling historical romances, set in the Regency and Romantic eras of the early nineteenth century, have won a number of awards, including the Romance Writers of America's RITA®.

Users Review

From reader reviews:

Sandra Gregory:
