The Queen and I By Russell Andresen

Broadway is easy. Crossing an eccentric billionaire is what's hard. Jeffrey Rothstein discovers this in the dark comedy *The Queen and I*, about a Broadway playwright who makes one bad decision and then has his life forever changed in the most supernatural way. With the help of the ghost of a 1920s drag queen, Jeffrey sets out to write the next big Broadway hit, while unknowingly being hunted by a sadistic madman with musical aspirations of his own.

Editorial Review

Users Review

From reader reviews:

Daniele Vaugh:

The book untitled The Queen and I is the e-book that recommended to you to read. You can see the quality of the e-book content that will be shown to you actually. The language that creator use to explained their ideas are easily to understand. The copy writer was did a lot of research when write the book, hence the information that they share to your account is absolutely accurate. You also could possibly get the e-book of The Queen and I from the publisher to make you far more enjoy free time.

Betty McClanahan:

Your reading 6th sense will not betray you, why because this The Queen and I book written by well-known writer we are excited for well how to make book which can be understand by anyone who also read the book. Written inside good manner for you, still dripping wet every ideas and publishing skill only for eliminate your own personal hunger then you still hesitation The Queen and I as good book not simply by the cover but also with the content. This is one e-book that can break don't evaluate book by its deal with, so do you still needing a different sixth sense to pick this particular!? Oh come on your studying sixth sense already told you so why you have to listening to a different sixth sense.

Vikki Maynard:

Is it you who having spare time subsequently spend it whole day through watching television programs or just resting on the bed? Do you need something totally new? This The Queen and I can be the answer, oh how comes? A fresh book you know. You are so out of date, spending your extra time by reading in this brand new era is common not a geek activity. So what these ebooks have than the others?

Mildred Ralph:

What is your hobby? Have you heard that will question when you got scholars? We believe that that issue was given by teacher on their students. Many kinds of hobby, Everybody has different hobby. And you also know that little person like reading or as studying become their hobby. You need to understand that reading is very important as well as book as to be the point. Book is important thing to incorporate you knowledge, except your current teacher or lecturer. You see good news or update regarding something by book. Many kinds of books that can you go onto be your object. One of them is actually The Queen and I.
