Editorial Review

Review

The volume will be extremely valuable to readers looking for a broad and readable introduction to China, and to teachers looking to provide their students with such an introduction. -- Sara A. Newland, University of California, Berkeley, Journal of Chinese Political Science

The volume will be extremely valuable to readers looking for a broad and readable introduction to China, and to teachers looking to provide their students with such an introduction. -- Sara A. Newland, University of California, Berkeley, Journal of Chinese Political Science

Leading readers almost painlessly through an extensive tour of modern China's events and issues, this anthology is well planned and, with its extensive bibliographies at the end of each chapter, a useful guide to deeper study as well as a rich resource for acquainting readers with China.... a well woven and brightly colored tapestry creating a kaleidoscopic and vibrant picture of China. --Mary Karen Solomon, Education About Asia
