Winning Chess Strategy for Kids By Jeff Coakley

Winning Chess Strategy for Kids is a fun and comprehensive chess course written for children 7 to 13 years old. Full of original material and entertaining artwork, it's a perfect guide for learning the royal game. Parents and teachers are sure to like it too.

The book begins on square one: covering the rules, basic mates, and elementary tactics. It then leads the student through a whole range of advanced strategies, including piece development, pawn structure, and attacking the castled king.

Opening principles, middlegame plans, and endgames techniques are all explained in clear and simple language. Separate sections throughout the book are devoted to combinations and terminology.

Whether kids are learning chess for recreation or are interested in playing competitively, Winning Chess Strategy for Kids will help them understand the game better and enjoy it more.
