Editorial Review

From Library Journal

Filled with humor, wit, and a plethora of delightful canine matchmakers, this eclectic quartet of Christmas novellas will appeal especially to those with a soft spot for dogs. Four dogs and a ghost reunite two lovers in Victoria Alexander's "Shakespeare and the Three Kings." Nature takes a hand in Annie Kimberlin's upbeat contemporary *Away in a Shelter*, when a blizzard helps two opposites find love amid the animals' Christmas Eve; while the heroine's wish for a simpler life in Miriam Raftery's *Mr. Wright's Christmas Angel* sends her back to 19th-century Alaska and into the arms of "Mr. Right." A diverse collection of warm and charming holiday stories?with a bit of a twist. [Note: These last two stories can be considered within the Americana tradition.]

From reader reviews:

Rachel Robertson:

Here thing why this kind of Santa Paws are different and reliable to be yours. First of all studying a book is good nevertheless it depends in the content of computer which is the content is as delicious as food or not. Santa Paws giving you information deeper and different ways, you can find any reserve out there but there is no reserve that similar with Santa Paws. It gives you thrill reading journey, its open up your eyes about the thing this happened in the world which is might be can be happened around you. It is easy to bring everywhere like in park, café, or even in your technique home by train. When you are having difficulties in bringing the paper book maybe the form of Santa Paws in e-book can be your alternative.

Chris Bynum:

The experience that you get from Santa Paws will be the more deep you digging the information that hide within the words the more you get thinking about reading it. It does not mean that this book is hard to recognise but Santa Paws giving you enjoyment feeling of reading. The copy writer conveys their point in specific way that can be understood by means of anyone who read the item because the author of this publication is well-known enough. Lois Schooley:

Do you have something that you enjoy such as book? The publication lovers usually prefer to select book like comic, quick story and the biggest one is novel. Now, why not trying Santa Paws that give your enjoyment preference will be satisfied by reading this book. Reading practice all over the world can be said as the opportunity for people to know world much better then how they react towards the world. It can't be

claimed constantly that reading addiction only for the geeky particular person but for all of you who wants to become success person. So , for all of you who want to start reading through as your good habit, you are able to pick Santa Paws become your own starter.

Alexander Pridmore:

This Santa Paws is great reserve for you because the content which is full of information for you who else always deal with world and still have to make decision every minute. This particular book reveal it information accurately using great manage word or we can point out no rambling sentences inside it. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only will give you straight forward sentences but tough core information with beautiful delivering sentences. Having Santa Paws in your hand like having the world in your arm, facts in it is not ridiculous 1. We can say that no book that offer you world in ten or fifteen second right but this publication already do that. So , this can be good reading book. Hey there Mr. and Mrs. active do you still doubt this?
