The African Violet Handbook By Tony Clements

Tony Clements, Britain's leading African violet specialist, knows the secret of keeping these supposedly tricky plants in beautiful condition. With over twenty years' experience of commercial violet growing behind him, he gives us the benefit of his expert advice on every aspect of care and cultivation, and shows how you can develop superb specimens with a long flowering season. Written in clear, straightforward style, completely free of technical jargon, and illustrated with superb colour photographs, this is an important book which will fire would-be collectors of these beautiful plants with enthusiasm and give encouragement to those who have previously found them difficult to grow. Completely up-to-date, this is the authoritative text on these beautiful plants.
