Editorial Review

Review

"...highly worthwhile as a starting point for researchers and for its overview of comprehensive topics." - Choice

"Leslie Bethell's monumental Latin American juggernaut continues to roll on. Those who are interested in Latin America between the onset of the Depression and the early 1990s will find a rich store of both information and argument in this double volume.... the contributors' scholarly credentials are impeccable. And the story they have to tell is both important and intrinsically fascinating.... as good a general survey as is currently available or perhaps conceivable." - Times Higher Education Supplement

"This international, interdisciplinary, collaborative scholarship, applied in a common effort to understand a complex historical period, is a principal strength of the work. Thoughtful editing under the guidance of Leslie Bethell has generally succeeded in creating a coherently inter-related set of essays... a sweeping data-rich solidly analytical survey." - Hispanic American Historical Review

"Any addition to the monumental Cambridge History provides a salient landmark for Latin American studies since the series offers both a unique teaching and research aid and a useful synopsis of the 'state-of-the-art' in the field. Volume VI - split into two sizable volumes - is no exception... a great deal of valuable scholarship is packed into these volumes... volumes that will be widely and profitably used, particularly by readers looking for up-to-date resumes of these grand, complex contemporary themes... The area covered by the contributors is enormous... their - generally - diligent mapping of modern Latin America has greatly enhanced our collective cognitive capacity." - Journal of Latin American Studies

From the Back Cover

The Cambridge History of Latin America is the first authoritative large-scale history of the whole of Latin America - Mexico and Central America, the Spanish-speaking Caribbean (and Haiti), Spanish South America and Brazil - from the first contacts between the native peoples of the Americas and Europeans in the late fifteenth and early sixteenth centuries to the present day.

Users Review

From reader reviews:

Nikki Jones:

Have you spare time for a day? What do you do when you have considerably more or little spare time? Sure, you can choose the suitable activity regarding spend your time. Any person spent their spare time to take a walk, shopping, or went to the particular Mall. Let me have The Cambridge History of Latin America, Volume 6, Part 2: Latin America since 1930: Economy, Society and Politics: Politics and Society.

Blake Darden:

As a university student exactly feel bored to reading. If their teacher requested them to go to the library in order to make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this The Cambridge History of Latin America, Volume 6, Part 2: Latin America since 1930: Economy, Society and Politics: Politics and Society can make you feel more interested to read.
