Editorial Review

Amazon.com Review

Picking right up where *Charlie and the Chocolate Factory* left off, *Charlie and the Great Glass Elevator* continues the adventures of Charlie Bucket, his family, and Willy Wonka, the eccentric candy maker. As the book begins, our heroes are shooting into the sky in a glass elevator, headed for destinations unknown. What follows is exactly the kind of high-spirited magical madness and mayhem we've all come to expect from Willy Wonka and his creator Roald Dahl. The American space race gets a send-up, as does the President, and Charlie's family gets a second chance at childhood. Throw in the Vermicious Knids, Gnoolies, and Minusland and we once again witness pure genius. (Ages 9 to 12)

Review

"Dahl's phenomenal popularity among children speaks for his breathless storytelling charms."—*Publishers Weekly*

From the Inside Flap

Mr. Willy Wonka might be a genius with chocolate, but Charlie and his family don't trust his flying skills one bit. And right now, he's at the helm of a giant glass elevator that's picking up speed and hurtling through space ? with Charlie and the entire Bucket family stuck inside! Roald Dahl's uproarious sequel to *Charlie and the Chocolate Factory* is certain to delight and entertain a new generation of readers.

Users Review

From reader reviews:

Patrick Sherman:

People live in this new day of lifestyle always aim to and must have the time or they will get lots of stress from both way of life and work.
