### Figure It Out! Human Proportions: Draw the Head and Figure Right Every Time (Christopher Hart Figure It Out!) By Christopher Hart

When the proportions are right, the drawing looks right! Most artists whose work features the human head and figure don't have the time or opportunity to draw directly from models, so it's essential that they acquire the skills and tools to draw them accurately without using direct reference. Now, thanks to Chris Hart's foolproof method, even beginners can quick-check the proportions of their head and figure drawings, identify errors, and swiftly fix mistakes. Richly illustrated with drawings from various angles, this follow-up to Hart's bestselling *Figure It Out!* includes step-by-step demonstrations and lessons that lead readers through the process.
