**Gender Roles: A Sociological Perspective (5th Edition)** By Linda L. Lindsey

**For mid-to-upper level courses in Gender Roles, Introduction to Women's Studies, and Sociology of Sex Roles.**

This text provides a **balanced**, non-polarized view of controversial issues that dispel gender myths and demonstrates how material can be meaningfully applied to a student's personal life.

Focusing on the most recent research and theory—both in the U.S. and globally—*Gender Roles* provides an in-depth, survey and analysis of **modern gender roles and issues** from a sociological perspective while also integrating insights and research from other disciplines like biology, psychology, anthropology and history.

### Editorial Review

From the Back Cover

The extensively updated revision for the fifth edition of *Gender Roles: A Sociological Perspective*, is a clearly written core text for courses on the sociology of gender/gender roles. Although appropriate for mid to upper level students, those without the introductory course in sociology can quickly navigate its contents so that early in the text students from all levels are on the same grounds. Focusing on the most recent research and theory—both in the U.S. and globally—it provides an in-depth, survey and analysis of modern gender roles and issues from a sociological perspective but also, integrates insights and research from other disciplines—especially biology, psychology, anthropology and history. Interdisciplinary material is guided by the sociological perspective, so students can understand the commonalities and differences in the ways the various disciplines research and explain gender. This text provides a balanced, non-polarized view of controversial issues that dispel gender myths and demonstrates how material can be meaningfully applied to a student's personal life.

About the Author

Linda L. Lindsey is Professor of Sociology at Maryville University of St. Louis and Professor of American Culture Studies, adj. at Washington University. She received her M.A. and Ph.D. in Sociology from Case Western Reserve University and a later M.A. in Education from St. Louis University. Her books include *Gender Roles: A Sociological Perspective*, *Sociology* (with Stephen Beach) and *Preventing Ethnic Conflict: Successful Cross-National Strategies* (with Irwin Deutscher). She works with the Asian Studies Development Program, a joint program of the East-West Center and University of Hawaii. She has received Fulbright-Hays awards and grants related to global education and research focusing on the developing world. She volunteers widely on behalf of women's advocacy, health, and immigrant support. She received a Distinguished Alumni Award, from the University of Missouri-St. Louis and has been elected to *Who's Who of American Women* and *Who's Who in America*. She served as President of the Missouri Sociological Association.
