Help Us Great Warrior! By Madeleine Flores

Based on Madeleine Flores' popular webcomic, *Help Us! Great Warrior* is about a very powerful (but deceptively tiny) Great Warrior who protects her village from evil-doers and looks rad while doing it! Possessing great strength and even greater self-confidence, she's ready to kick some butts and save everyone, especially hunks/pals/handsome skeletons. But Great Warrior has a secret...and will her friends stand by her side when they find it out?

Madeleine Flores' tale of a smart, hilarious, and intensely capable little warrior has a unique sense of humor and manga-influenced look and feel, along with a great message for young readers. Excellent for fans of SMILE, LUMBERJANES, and EL DEAFO.

Editorial Review

From School Library Journal

Gr 5–8—When the Demons from Demonside, led by the fearsome Demon King, start pouring through a newly opened dimensional portal, only one warrior is brave, strong, and powerful enough to stop them: Great Warrior! Unfortunately, she already has plans for the day. Can Great Warrior be persuaded by her friends to act in time? And will Great Warrior even have friends when everyone finds out the terrible secret she's been hiding? Thankfully, those in need can always count on Great Warrior, especially if there are snacks involved. Flores and Gunn bring this small but powerful hero to life in this work that's based on the popular webcomic. The art is clean and colorful and ideal for the tone, which is similar to the TV show *Adventure Time* but a bit more accessible. The book also carries the same message about friendship and self-esteem. **VERDICT** This worthy addition will appeal to middle school readers looking for high-energy excitement, interesting characters, and a cool female protagonist.—Erik Knapp, Davis Library, Plano, TX

Users Review

From reader reviews:

Debbie Jones:

Do you one among people who can't read enjoyable if the sentence chained in the straightway, hold on guys that aren't like that. This *Help Us Great Warrior!* book is readable by means of you who hate the perfect word style. You will find the data here are arrange for enjoyable reading through experience without leaving actually decrease the knowledge that want to give to you.
