### Just Walk Across the Room: Simple Steps Pointing People to Faith By Bill Hybels

In *Just Walk Across the Room*, Bill Hybels brings personal evangelism into the twenty-first century with a natural and empowering approach modeled after Jesus himself. When Christ 'walked' clear across the cosmos more than 2,000 years ago, he had no forced formulas and no memorized script; rather, he came armed only with an offer of redemption for people like us, many of whom were neck-deep in pain of their own making. This dynamic four-week experience is designed to equip and inspire your entire church to participate in that same pattern of grace-giving by taking simple walks across rooms---leaving your circles of comfort and extending hands of care, compassion, and inclusiveness to people who might need a touch of God's love today. This DVD is designed for use in conjunction with *Just Walk Across the Room: The Four-Week Campaign Experience* Expanding on the principles set forth in Hybels' book of the same name, *Just Walk Across the Room* consists of three integrated components: Sermons, an implementation guide, and church promotional materials provided on CD-ROM to address the church as a whole Small group DVD and a participant's guide to enable people to work through the material in small, connected circles of community The book *Just Walk Across the Room* to allow participants to think through the concepts individually

### Editorial Review

From Publishers Weekly

*Starred Review.* Evangelism is as simple and as scary as walking across the room, according to Hybels, well known senior pastor of Willow Creek Community Church in South Barrington, Ill. His heartfelt burden for sharing the Christian message is clear as he guides readers to a new understanding of why and how they can help others meet God. He offers solid advice on evangelism, yet does so without sounding like he's checking off items on a spiritual list. His form of evangelism is relational, what he calls "Living in 3D." Hybels enlarges on the three Ds—develop friendships, discover stories, discern next steps—in a clear, conversational way, all the while challenging Christians to move beyond their insulated "evangelism-void vacuum." He encourages Christians to explore "the power of story" and to learn how to tell their own spiritual narratives concisely and effectively. Readers will find inspiration and honesty in this book that mirrors Hybels's personal convictions and those of his church as well: "It really is true: the spread of the gospel... boils down to whether you and I will continue to seek creative ways to engage our friends, inviting them to explore the abundance of the Christ-following life..." ### From the Back Cover

What if you knew that by simply crossing the room and saying hello to someone, you could change that person's forever? Just a few steps to make an eternal difference. It has nothing to do with methods and everything to do with taking a genuine interest in another human being. All you need is a heart that's in tune with the Holy Spirit and a willingness to venture out of your "Circle of Comfort" and into another person's life. *Just Walk Across the Room* brings personal evangelism into the twenty-first century. Building on the solid foundation laid in *Becoming a Contagious Christian*, Bill Hybels shows how you can participate in the model first set by Jesus, who stepped down from heaven 2,000 years ago to bring hope and redemption to broken people living in a fallen world. Now it's your turn. Your journey may not be as dramatic, but it can have a life-changing impact for someone standing a few steps away from you—and for you as well, as you learn the power of extending care, compassion, and inclusiveness under the guidance of the Holy Spirit. The highest value in personal evangelism is cooperating with the Spirit, says Hybels. This means playing only the role you're meant to play—walking when the Spirit says to walk, talking when he says to talk, and falling silent when he suggests that you've said enough. Hybels encourages you to "live in 3D" ... Developing friendships Discovering stories Discerning appropriate next steps ... as a means of learning to understand the

Holy Spirit's promptings. With fresh perspectives from his own reflections and experiences collected during his most recent decade of ministry, Bill Hybels shows with convincing and inspiring clarity the power of this personal, richly relational approach to evangelism. The stakes are high. The implications are eternal. And you may be only a conversation away from having an eternal impact on someone's life—if you will just walk across the room.
