One Person/Multiple Careers: The Original Guide to the Slash Career (Volume 1) By Marci Alboher

From lawyer/chefs to surgeon/playwrights and mom/CEOs, today's most fulfilling lives are the ones filled with slashes. One Person/Multiple Careers is essential reading for anyone who is loathe to answer "What do you do?" with a singular definition. Marci interviewed hundreds of people pursuing multiple careers simultaneously — from a longshoreman/documentary filmmaker to a management consultant/cartoonist — and discovered how slash careers integrate and fully express the multiple passions, talents, and interests that a single career often cannot accommodate. The book is a blueprint for building a life filled with slashes and custom-blending a career.
