### **Ragged Edge** By Sara Brookes **2013 EPIC Award Finalist in Erotica**

Dalton is no stranger to hitting rock bottom. He's worked hard to turn his life around. Now he has a quiet life, a successful business and a no-strings-attached arrangement for sex with Kincade. Everything is just as it should be. Then a late-night rendezvous is interrupted by a sexy newcomer, and Dalton realizes something is missing.

Caught up in the intense passion the men share, Erin doesn't know whether to run or get between their hard bodies. She's convinced her attraction is wrong. However, a little persuasion from both Dalton and Cade convinces her she belongs with and between them. Erin's surrender becomes Dalton's reawakening.

A BDSM master, Dalton is in his element commanding his lovers, and soon the threesome fills their nights with mind-blowing pleasure. But when a piece of Dalton's past resurfaces, it threatens the very foundation he's built...and could put him back at the bottom.

**Warning:** *Contains gay sex on the seat of a motorcycle with the town sheriff, a mind-bending trip into subspace, voyeuristic blow jobs, two subs who willingly kneel before their master and lots and lots of ménage sex in a secret room tucked away behind a motorcycle shop. Vroom, vroom.*

### **Users Review**

#### **From reader reviews:**

##### **Kenneth Kelly:**

A lot of people always spent their very own free time to vacation as well as go to the outside with them loved ones or their friend. Did you know? Many a lot of people spent these people free time just watching TV, as well as playing video games all day long. If you want to try to find a new activity honestly, that is look different you can read a new book. It is really fun for you. If you enjoy the book you read you can spent all day long to reading a guide. The book Ragged Edge it is very good to read. There are a lot of those who recommended this book. We were holding enjoying reading this book. Should you did not have enough space to develop this book you can buy the actual e-book. You can m0ore simply to read this book from your smart phone. The price is not to cover but this book provides high quality.

##### **Michael Durkin:**

Playing with family in a park, coming to see the ocean world or hanging out with buddies is thing that usually you could have done when you have spare time, after that why you don't try point that really opposite from that. A single activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition of information. Even you love Ragged Edge, you may enjoy both. It is good combination right, you still would like to miss it? What kind of hang type is it? Oh can happen its mind hangout fellas. What? Still don't understand it, oh come on its referred to as reading friends.

##### **Ola Hellman:**

This Ragged Edge is new way for you who has intense curiosity to look for some information because it relief your hunger info. Getting deeper you upon it getting knowledge more you know or perhaps you who still having small amount of digest in reading this Ragged Edge can be the light food in your case because the information inside this specific book is easy to get through anyone. These books create itself in the form which is reachable by anyone, sure I mean in the e-book web form. People who think that in book form make them feel sleepy even dizzy this guide is the answer. So you cannot find any in reading a book especially this one. You can find what you are looking for. It should be here for an individual. So , don't miss it! Just read this e-book variety for your better life in addition to knowledge.

##### **Sandra Easley:**

Do you like reading a reserve? Confuse to looking for your selected book? Or your book has been rare? Why so many issue for the book? But just about any people feel that they enjoy regarding reading. Some people likes studying, not only science book but also novel and Ragged Edge or others sources were given expertise

for you. After you know how the fantastic a book, you feel desire to read more and more. Science guide was created for teacher as well as students especially. Those ebooks are helping them to add their knowledge. In different case, beside science e-book, any other book likes Ragged Edge to make your spare time far more colorful. Many types of book like here.
