STONE FOX is a well-loved story of a gritty boy and his canine companion, who shoulder family difficulties at great personal cost. TOP SECRET, with its thought-provoking, if farfetched, science fair project, is not as widely known. Presenting Gardiner's two books in a single package offers opportunities for listeners to respond to the author's theme as presented by B.D. Wong. Gardiner champions individuals who are creative thinkers and who reject stereotyping. B.D. Wong is steadfast in his loyalty to each protagonist. The determination of both Little Willy and Allen Brewster shines through in Wong's unwavering voice. A.R. © AudioFile 2007, Portland, Maine-- Copyright © AudioFile, Portland, Maine
