The Book of Tiki By Sven A. Kirsten

After World War II, US soldiers stationed in the South Pacific returned home with tales of trees loaded with exotic fruits, sleepy lagoons, white-sand beaches, and gorgeous people wearing grass and feathers as they danced half-naked during all-night orgies of food and music. The American imagination seized on this exotic version of island culture, and it exerted a massive influence on Fashion, pop music, eating and drinking, and even architecture. Everything from bars to bowling alleys adopted elements of Polynesian design. Tikis, the carved wooden and stone statues from across the Pacific, found their way into every hotel lounge and suburban living room. But as the fad was reaching it's peak, the big generation gap of the late 60s put a sudden end to Polynesian escapism as the children of the Tiki revellers decided to seek their own Nirvana in sex, drugs, and rock'n'roll. The 90s have seen a revitalised interest in this kitsch anomaly of post-war America -- lounge bars and the sound of ""exotica"" are back in. This enlightening and hilarious guide casts the reader as an ""urban archaeologist"" exploring the lost remnants of Tiki culture across the States -- discovering relics from this forgotten civilisation in thrift stores, yard sales, and used book and record emporia. A combination of nostalgia and fascinating pop cultural study, this volume is a long overdue investigation into the cult of the Tiki.

Users Review

From reader reviews:

Joel Jones:

What do you concerning book? It is not important along? Or just adding material when you need something to explain what yours problem? How about your time? Or are you busy particular person? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have spare time? What did you do? Everyone has many questions above. They should answer that question simply because just their can do that. It said that about book. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need this specific The Book of Tiki to read.

Corey Smith:

The book untitled The Book of Tiki contain a lot of information on this. The writer explains her idea with easy method. The language is very simple to implement all the people, so do not worry, you can easy to read it. The book was compiled by famous author. The author gives you in the new era of literary works. It is easy to read this book because you can keep reading your smart phone, or gadget, so you can read the book within anywhere and anytime. In a situation you wish to purchase the e-book, you can available their official website and also order it. Have a nice read.

Andrea Quirk:

Many people spending their time by playing outside along with friends, fun activity together with family or just watching TV the entire day. You can have new activity to shell out your whole day by looking at a book. Ugh, do you think reading a book will surely hard because you have to use the book everywhere? It all right you can have the e-book, bringing everywhere you want in your Mobile phone. Like The Book of Tiki which is finding the e-book version. So , why not try out this book? Let's see.

Kenneth Sigler:

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's spirit or real their pastime. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring along with can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this The Book of Tiki can make you really feel more interested to read.
