## **Editorial Review**

From Publishers Weekly

O. Henry's classic tale of Della and Jim, the struggling newlyweds so anxious to give each other a Christmas gift that each sells the one thing the other holds most dear, receives an oddly lifeless treatment here. Heyer's meticulously detailed illustrations are pretty but stilted; the characters look like mannequins. The rueful Jim fares better than poor prematurely middle-aged Della, who at times looks more like his mother than his wife. Still, the story is as touching as ever, and neither time nor mediocre artwork can dim its glory. All ages. Copyright 1994 Reed Business Information, Inc.

From School Library Journal

Grade 5 Up—An illustrated, unabridged version of the classic short story in which a young husband and wife each, unbeknownst to the other, gives up a most treasured possession to buy the other a wonderful gift. The gifts, of course, are useless as a result, but the couple's love is presumably all the stronger. The sepia-toned watercolors have an authentic period look; the details present in the New York City street scenes and the couple's rather shabby apartment add a strong feeling of time and place to the story. Very different in style from Lisbeth Zwerger's lovely and delicate version (S & S, 2006), this is a fine choice for libraries needing another illustrated edition of this Christmas tale.—*Eva Mitnick, Los Angeles Public Library*

Gr. 5 and up. A classic story becomes a picture book for older readers in this oversize edition. Heyer's paintings reflect the turn-of-the-century setting and are nicely executed, if occasionally stiff. Because the protagonists are both adults, there will not be automatic appeal for younger children, but preteens, and especially teenagers, should find the romantic appeal that has been apparent to previous generations of readers. *Ilene Cooper*
