The Man She Loves to Hate (Dirty Filthy Money) By Kelly Hunter

Three reasons to keep away from Cole Rees...1. My mom had a scorching affair with his dad--just think how awkward that "meet the family" would be...
2. His arrogance drives me mad--he might be a gorgeous billionaire, but I hate how he knows it!
3. Every time he touches me I go up in flames...and it's utterly terrifying.
Come on, a fling with the man I love to hate? Like that would *ever* work out...

THE MAN SHE LOVES TO HATE (4) by Kelly Hunter. Hunter charms readers with a dramatic plot, scintillating dialogue and likable characters -- RT Book Reviews

From the Inside Flap

Cole opened his eyes and glanced down and quickly shut them again. A redhead. Cole *never* bedded redheads. They reminded him too much of his father and--

And then he remembered everything.

Jolie Tanner. *The Jolie Tanner*.

Hated since childhood for the sins of her mother.

Avoided ever since for sins that were all her own.

Wanted...

Cole's body certainly thought so.

Wanted for quite some time now if he were being brutally honest... but only in the sense of a spoiled child wanting the one thing his parents had denied him.

So he'd been attracted to her? So what? Most men were.

He'd never followed through.

And then Jolie moved in her sleep, and he groaned aloud and brought his hand up through her hair, presumably to persuade her to rearrange her body elsewhere.

Except that his hand stayed right where it was and so did she.
