### **Dancing on the Inside** By Glen C. Strathy

Gold Medal, 2012 Independent Publisher Book Awards

2013 IndieFab Awards Honorary Mention

2011 Reader Views Reviewers Choice Award

*"This story written for 'Tweens' is so good that it will transcend that age group. The story plot seems deceptively simple, but it unfurls with complexity. And Jenny is a character you can take into your heart. One that is vulnerable and shackled by her shyness, but who struggles to stay close to the thing she loves most...any way she can. Overcoming pride, guilt, and inadequacy, she moves painstakingly toward her goal. This is my first read by author Glen C. Strathy and I highly recommend his style and voice. His ability to get inside the head and heart of his young subject, Jenny, is a spark of pure talent, with just a sprinkle of magical insight. BE SURE TO PUT THIS ONE ON YOUR CHILD'S READING SHELF."*

- Lynda Coker, *Review from Here*

**Summary: Sidelined by a paralyzing anxiety, a twelve-year-old girl uses determination and friendship to pursue her dream of becoming a ballet dancer in this uplifting middle-grade novel.**

*"An excellent story for the young girl reader. The story is about ballet and what it means to love to dance, friendship, rivalry - a big part in any dance class - and doing what you love..."-- awolfe at LibraryThing*

*"Wow what an amazing book ! I love anything to do with Ballet but this book went beyond that. I loved Jenny and could really relate to her but her friend Ara was the amazing one in this book too who supported her friend and helped her to overcome obstacles. Can't give to much info here or it will spoil it for others. All I can say is this is a book that most people should read!"*

- Jane(Janelba) on Goodreads

*"Dancing on the Inside is a fine and very much recommended read for younger readers who may be facing stage fright themselves."*

### Editorial Review

#### Review

"...an uplifting and insightful novel for tweens and teens." - Clarion Review

"A story that is motivational as well as inspiring, this book is great for anyone who struggles with shyness or self doubt." - Brenda C. for *Readers Favorite*

"The journey Strathy takes readers on as Jenny finds friendship, along with her real talent, and learns how to make her own dreams come true, is emotionally gripping, and the ballet world the author takes readers into is authentic and exciting enough to make even more girls decide that, perhaps, some form of dance is for them." - Jocelyn Reekie, *CM Magazine*

"A fun story with a strong 'never give up on your dreams' message." - The Wishing Shelf Book Awards

"Strathy not only gives us an inspirational story about fulfilling childhood dreams, but explores the anxiety and fear that can come with that exploration. Jenny not only proves to herself, but to her friends and family as well, that her goals are attainable, even if those goals change along the way. *Dancing on the Inside* gives us a great story about achieving goals and learning about oneself through hard work, focus, and dedication." - Jaime Hypes, *LL Book Review*

#### From the Author

I wrote this book in the hope it would inspire shy girls to pursue their dreams.

#### From the Back Cover

Ever since her grandparents gave her a DVD of *Swan Lake*, twelve-year-old Jenny Spark has wanted to be a ballet dancer. But on her first day of ballet class, she suffers a crippling panic attack. She's too terrified to practice in front of the other kids, and as for actually performing for an audience? Forget it.

Yet Jenny refuses to give up her dream of making dance part of her life. With determination and a little deception, Jenny figures out how to observe ballet class without actually participating, and she practices in the safety of her home. Then Jenny meets her polar opposite: Ara Reyes, a bold, spontaneous, and accident-prone girl who longs for the spotlight but is overlooked in favor of the school's star performer.

The girls' friendship blossoms as they help each other find their real talents. Ara's dancing takes a leap forward, and Jenny discovers she has a hidden gift for choreography. With the support of the school's newest teacher, Jenny's original ballet might just make it on stage ... but will she?

Charming and inspiring, *Dancing on the Inside* shows how pursuing our passions can often lead to wonderful and unexpected results.

### Users Review

#### From reader reviews:

**Donald Lombard:**

Hey guys, do you would like to finds a new book you just read? May be the book with the subject Dancing on the Inside suitable to you? Typically the book was written by well-known writer in this era.
