Editorial Review

Amazon.com Review

Anita Blake may be small and young, but vampires call her the Executioner. Anita is a necromancer and vampire hunter in a time when vampires are protected by law--as long as they don't get too nasty. Now someone's killing innocent vampires and Anita agrees--with a bit of vampiric arm-twisting--to help figure out who and why.

Trust is a luxury Anita can't afford when her allies aren't human. The city's most powerful vampire, Nikolaos, is 1,000 years old and looks like a 10-year-old girl. The second most powerful vampire, Jean-Claude, is interested in more than just Anita's professional talents, but the feisty necromancer isn't playing along--yet. This popular series has a wild energy and humor, and some very appealing characters--both dead and alive.
