Outsider in the White House By Senator Bernie Sanders

The political autobiography of the insurgent presidential candidate

Bernie Sanders's campaign for the presidency of the United States has galvanized people all over the country, putting economic, racial, and social justice into the spotlight, and raising hopes that Americans can take their country back from the billionaires and change the course of history.

In this book, Sanders tells the story of a passionate and principled political life. He describes how, after cutting his teeth in the Civil Rights movement, he helped build a grassroots political movement in Vermont, making it possible for him to become the first independent elected to the US House of Representatives in forty years. The story continues into the US Senate and through the dramatic launch of his presidential campaign.

Editorial Review

Review

“I endorse Brother Bernie Sanders because he is a long-distance runner with integrity in the struggle for justice for over fifty years. Now is the time for his prophetic voice to be heard across our crisis-ridden country.”

—**Cornel West, author of *Race Matters***

“Bernie’s been in the forefront of all the crucial environmental fights of recent years.”

—**Bill McKibben, cofounder of 350.org**

“Bernie is the real thing. He’s not about reading the polls and finding out what he needs to say in order to get elected. He’s about an unwavering commitment to basic justice, equality and sound financial sense.”

—**Ben Cohen, cofounder of Ben & Jerry’s and founder of *Stampede: Stamp Money out of Politics***

“I feel weird using words like ‘values’ and ‘morals’ because those are words that have been co-opted to justify terrible things like bigotry and greed. I’d like to take those words back and use them to describe Bernie Sanders because his moral compass and sense of values inspire me.”

—**Sarah Silverman, comedian and social commentator**

Praise for the previous edition, *Outsider in the House*:

“A clear, compelling and comprehensive vision for reinvigorating democracy, reducing poverty, rebuilding the middle class and restructuring our health care and education systems. Sanders gives us a vision of the day when ‘we will no longer be outsiders in the House.’”

—***In These Times***

“*Outsider in the House* is a rare achievement: a concise, compelling book that both tells an interesting story and provides a readable, down-to-earth blueprint for political change.”

—***The Onion***

“A road map for how progressives can win elections and not be a part of the two party duopoly.”

—**Ralph Nader**

“A grass-roots ‘how-to’ guide, especially helpful and inspirational for prospective independent candidates—a firsthand description of the career of the most successful American socialist politician in modern times.”

—***The Hill***

About the Author

Bernie Sanders was elected to the US Senate in 2006 after serving 16 years in the House of Representatives. He is the longest serving independent member of Congress in American history. Early in his career, Sanders was director of the American People's Historical Society. Elected Mayor of Burlington by 10 votes in 1981, he served four terms. Before his 1990 election as Vermont’s at-large member in Congress, Sanders lectured at the John F. Kennedy School of Government at Harvard and at Hamilton College in upstate New York.

Users Review

From reader reviews:

Margaret Barone:
