The Consolation Duet By Corinne Michaels

Liam wasn't supposed to be my happily ever after. He wasn't even on my radar. He was my husband's best friend—forbidden. But my husband died and I fell in love with Liam only to be left shattered into a million pieces. Again. I want him. I need him. I yearn for him, but he's gone. Now I have to decide if it's him I love or if he was just the consolation prize all along.

Editorial Review

About the Author

Corinne Michaels is the USA Today and Wall Street Journal Bestselling author of The Salvation Series (Beloved, Beholden, Consolation and Conviction). She's an emotional, witty, sarcastic, and fun loving mom of two beautiful children. Corinne is happily married to the man of her dreams and is a former Navy wife. After spending months away from her husband while he was deployed, reading and writing was her escape from the loneliness. Both her maternal and paternal grandmothers were librarians, which only intensified her love of reading. After years of writing short stories, she couldn't ignore the call to finish her debut novel, Beloved. Her alpha Navy SEALs are broken, beautiful, and will steal your heart.

Users Review

From reader reviews:

Shannon Silva:

Here thing why this specific The Consolation Duet are different and reputable to be yours. First of all examining a book is good however it depends in the content of the usb ports which is the content is as scrumptious as food or not.
