## They Shall Have Stars By James Blish

What Was The Secret That Lurked Behind The Stars?

In the year 2018, man undertook the most stupendous project in human history - to build a bridge on Jupiter.

In that frozen, raging, gaseous hell, the space men built a fantastic, colossal bridge - thirty miles high, eight miles wide, and always growing in its astounding length.

What was the purpose of this incredible object?

Only one man knew - and he possessed the most tormenting knowledge in the Universe.
