#### From the Back Cover

It's finally summer in Rosewood, Pennsylvania, which means afternoons at the pool, high school graduation—and the end of the scandal that has rocked the town for years. Or so everyone thinks. It's been weeks since police caught the notorious stalker and murderer known as A. But Hanna, Aria, Emily, and Spencer know that the real A is still out there. And as long as A is on the loose, nothing can ever go back to normal . . . if there is such a thing as normal in Rosewood.

Hanna is offered the role of a lifetime—in a movie about her life. Aria's paintings go viral, until her fine art escalates to the art of war. Spencer starts an antibullying blog but finds that her homepage is as dangerous as her home life. And Emily goes behind bars to reconnect with the only girl who ever stole her heart.

But these little liars need to watch their backs. They should know by now that A never forgives and *never* forgets. And this time, A is determined to bring them down—once and for all.
