Call the Midwife: Farewell to the East End By Jennifer Worth

The last book in the trilogy begun by Jennifer Worth's *New York Times* bestseller and the basis for the PBS series *Call the Midwife*

When twenty-two-year-old Jennifer Worth, from a comfortable middle-class upbringing, went to work as a midwife in the poorest section of postwar London, she not only delivered hundreds of babies and touched many lives, she also became the neighborhood's most vivid chronicler. *Call the Midwife: Farewell to the East End* is the last book in Worth's memoir trilogy, which the *Times Literary Supplement* described as "powerful stories with sweet charm and controlled outrage" in the face of dire circumstances.

Here, at last, is the full story of Chummy's delightful courtship and wedding. We also meet Megan'mave, identical twins who share a browbeaten husband, and return to Sister Monica Joan, who is in top eccentric form. As in Worth's first two books, *Call the Midwife: A Memoir of Birth, Joy, and Hard Times* and *Call the Midwife: Shadows of the Workhouse*, the vividly portrayed denizens of a postwar East End contend with the trials of extreme poverty—unsanitary conditions, hunger, and disease—and find surprising ways to thrive in their tightly knit community.

A rich portrait of a bygone era of comradeship and midwifery populated by unforgettable characters, *Call the Midwife: Farewell to the East End* will appeal to readers of Frank McCourt, Katherine Boo, and James Herriot, as well as to the fans of the acclaimed PBS show based on the trilogy.

Editorial Review

Review

'A sad farewell but a memorable and satisfying send-off' DAILY EXPRESS 'One would struggle to find a better description of a long-gone era and its heartening, forgotten values' SUNDAY BUSINESS POST

About the Author

Jennifer Worth trained as a nurse at the Royal Berkshire Hospital in Reading, and was later ward sister at the Elizabeth Garrett Anderson Hospital in London, then the Marie Curie Hospital, also in London. Music had always been her passion, and in 1973 she left nursing in order to study music intensively, teaching piano and singing for about twenty-five years. Jennifer died in May 2011 after a short illness, leaving her husband, Philip; two daughters; and three grandchildren. Her books have all been bestsellers in England.

Users Review

From reader reviews:

Sylvia Cunningham:

The book Call the Midwife: Farewell to the East End make one feel enjoy for your spare time. You can use to make your capable far more increase. Book can being your best friend when you getting stress or having big problem together with your subject.
