The Shining Ones (The Tamuli Trilogy) By DAVID EDDINGS

Book Two of The Tamuli. The New York Times Bestseller!

Years ago, the Child-Goddess Aphrael had hidden Bhelliom, the Stone of Power, at the bottom of the sea. Yet now it is needed again to stop a malign force from spreading evil and destruction across the lands. Sparhawk, Queen's champion, sets out to retrieve the Stone. But others seek the gem for their own diabolical ends. Most fearsome of these are the Shining Ones, whose mere touch melts human flesh from bone. Now Sparhawk finds himself stalked by these creatures out of myth . . . whose touch is all too real.

Editorial Review

From Publishers Weekly

Sir Sparhawk and his wife, Queen Ehlana of Elenia, encounter ever more sinister plots in the second book of *The Tamuli*, following *Domes of Fire*, as they try to help the emperor of Tamuli take a firm grasp of the government. In a world of many gods, whose powers depend on the number and fervor of their worshippers, the royal couple find themselves pawns in the struggle of one entity to free his followers, albeit bloodthirsty and un-neighborly, from constraints placed upon them eons previously. Unrest spreads throughout Tamuli, with indications of sorcery and meddling by various gods, prompting the goddess Aphrael, reincarnated as the royal couple's young daughter Danae, to retrieve the powerful sapphire-rose jewel Bhelliom, hidden a few years earlier after being used to destroy the evil god Azash. While Sparhawk, Aphrael (now in the guise of the child Flute) and various companions race through a hostile countryside, encountering the mythical and abhorred Shining Ones, the queen and emperor play a more stylized game to keep the enemy at bay. Neatly blending simplicity and complexity, this tale of comradeship, dastardly doings, multiple gods, strange races and noble and ignoble humans is vintage Eddings.

From Kirkus Reviews

Book Two of Eddings's latest trilogy (*Domes of Fire*, 1992): a second set of yarns about the Pandion Knight, Sparhawk, his wife, Queen Ehlana, and a supporting cast of thousands. This time out, our heroes quickly learn who is behind the latest crop of troubles: Zalasta, the Styric sage, who for hundreds of years has secretly nursed a virulent hatred of the child-goddess Aphrael, her sister Sephrenia, and the good guys in general. Sparhawk, meanwhile, learns to communicate with Bhelliom, the powerfully magical blue jewel that he has just retrieved from the sea with Aphrael's help. He has also made contact with the legendary Shining Ones, supposedly ghoulish types whose touch is death; they turn out to be victims of Zalasta's treachery and a centuries-old misunderstanding. The Shining Ones, in the process of becoming transcendental, need Bhelliom's assistance; in exchange, Xanetia, who can read minds, will help to expose the conspiracy that Zalasta created against the emperor Sarabian. Behind Zalasta, it emerges, is the god Cyrgon; he's prodding the Trolls to go to war by pretending to be their gods (they are actually trapped inside Bhelliom), so again Sparhawk must do rapid negotiating: the Troll-Gods, in return for their freedom, agree to restrain their Trolls and help defeat Cyrgon. Finally, Ehlana, left idiotically unprotected, is kidnapped by the bad guys. And so to volume three. Very little action, a great deal of chat, and lots of rather pointless embroidery. At least those who enjoyed volume one should be happy; non-fans need not bother. -- *Copyright ©1993, Kirkus Associates, LP. All rights reserved.*

`A graceful, fluid style of storytelling rare in fantasy writing' Publishers Weekly

Users Review

From reader reviews:

Sandra McNulty:

As people who live in the modest era should be update about what going on or details even knowledge to make all of them keep up with the era which is always change and make progress. Some of you maybe will certainly update themselves by reading through books. It is a good choice for yourself but the problems

coming to you actually is you don't know what type you should start with. This The Shining Ones (The Tamuli Trilogy) is our recommendation so you keep up with the world. Why, because this book serves what you want and need in this era.

Austin Barnes:

You can spend your free time you just read this book this reserve. This The Shining Ones (The Tamuli Trilogy) is simple to develop you can read it in the recreation area, in the beach, train and soon. If you did not possess much space to bring the printed book, you can buy the particular e-book. It is make you better to read it. You can save often the book in your smart phone. So there are a lot of benefits that you will get when you buy this book.

Carlos Moses:

Is it a person who having spare time and then spend it whole day by watching television programs or just lying down on the bed? Do you need something new? This The Shining Ones (The Tamuli Trilogy) can be the reply, oh how comes? The new book you know. You are thus out of date, spending your free time by reading in this new era is common not a nerd activity. So what these ebooks have than the others?

Mildred Kershner:

In this era which is the greater person or who has ability to do something more are more special than other. Do you want to become considered one of it? It is just simple method to have that. What you are related is just spending your time not very much but quite enough to get a look at some books. One of many books in the top record in your reading list will be The Shining Ones (The Tamuli Trilogy). This book that is qualified as The Hungry Slopes can get you closer in getting precious person. By looking right up and review this reserve you can get many advantages.
