### Feminist Economics and the World Bank: History, Theory and Policy (Routledge IAFFE Advances in Feminist Economics) From Routledge

The past decade has witnessed a paradigm shift at the World Bank from a focus on structural adjustment to a focus on poverty reduction. As evidenced by the Bank's 2001 report, *Engendering Development: Through Rights, Resource and Voice*, an increased attention to gender issues has been an important part of this process.

This book brings together a range of responses from feminist economists and other social researchers on the issues raised in this report. With contributions from highly esteemed scholars such as Eudine Barriteau, Diane Elson, Gale Summerfield, and Zafiris Tzannatos, this anthology critically examines the relationships between gender, growth, development, and the World Bank by:

- developing a history of the World Bank's perspectives on gender
- empirically evaluating the impacts of the Banks' policies on three different regions of the world
- exploring the ideological and methodological commitments of the report from a variety of feminist and interdisciplinary social science perspectives
- enquiring into future directions for feminist economics research.

Highlighting the importance and challenge of taking gender into account in development theory and policy, this book's complex and nuanced analyses of the social relations of gender in a global context make it an important resource for policymakers, activists and scholars alike.

### **Users Review**

**From reader reviews:**

**Alicia Mendes:**

Do you have favorite book? In case you have, what is your favorite's book? Guide is very important thing for us to know everything in the world. Each book has different aim or perhaps goal; it means that reserve has different type. Some people truly feel enjoy to spend their a chance to read a book. They can be reading whatever they take because their hobby will be reading a book. Why not the person who don't like reading through a book? Sometime, person feel need book if they found difficult problem or maybe exercise. Well, probably you will need this Feminist Economics and the World Bank: History, Theory and Policy (Routledge IAFFE Advances in Feminist Economics).

**Danny Floyd:**

Nowadays reading books be than want or need but also become a life style. This reading habit give you lot of advantages. Advantages you got of course the knowledge your information inside the book that improve your knowledge and information. The info you get based on what kind of publication you read, if you want attract knowledge just go with knowledge books but if you want truly feel happy read one using theme for entertaining such as comic or novel. The Feminist Economics and the World Bank: History, Theory and Policy (Routledge IAFFE Advances in Feminist Economics) is kind of reserve which is giving the reader capricious experience.

**Kathleen Huckaby:**

Many people spending their time frame by playing outside using friends, fun activity using family or just watching TV 24 hours a day. You can have new activity to shell out your whole day by reading through a book. Ugh, ya think reading a book can definitely hard because you have to accept the book everywhere? It

okay you can have the e-book, getting everywhere you want in your Smart phone. Like *Feminist Economics and the World Bank: History, Theory and Policy* (Routledge IAFFE Advances in Feminist Economics) which is obtaining the e-book version. So , why not try out this book? Let's notice.

**Margaret Pace:**

As a university student exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just minor students that has reading's heart and soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this *Feminist Economics and the World Bank: History, Theory and Policy* (Routledge IAFFE Advances in Feminist Economics) can make you feel more interested to read.
