Selfish Pigs: Adorably Awful Little Swine By Andy Riley

From the creator of *The Book of Bunny Suicides* comes the book you've been waiting for: *Selfish Pigs*. Filled with more than 90 pieces of line art depicting pigs being adorably selfish, this is a must-have for pig-lovers and Riley fans.

These are pigs who just don't care any more. They're nasty. They drink, they smoke, they steal, they eat pork and bacon, and they're strangely lovable while they do it. Do they metaphorically represent you and me when we're being bad? Or are they just horrible swine who don't give a damn about metaphors? You'll have to judge for yourself.
