Short-Straw Bride (The Archer Brothers Book #1) By Karen Witemeyer

Lighthearted Historical Romance From a Rising Star

No one steps on Archer land. Not if they value their life. But when Meredith Hayes overhears a lethal plot to burn the Archer brothers off their ranch, a twelve-year-old debt compels her to take the risk.

Fourteen years of constant vigilance hardens a man. Yet when Travis Archer confronts a female trespasser with the same vivid blue eyes as the courageous young girl he once aided, he can't bring himself to send her away. And when an act of sacrifice leaves her injured and her reputation in shreds, gratitude and guilt send him riding to her rescue once again.

Four brothers. Four straws. One bride. Despite the fact that Travis is no longer the gallant youth Meredith once dreamed about, she determines to stand by his side against the enemy that threatens them both. But will love ever be hers? Or will Travis always see her merely as a short-straw bride?

"If you want a hard-to-put-down, fast read, then *Short-Straw Bride* is the next book you should read. Set in the 1880's in Texas, the characters are as real as any in life today. There is loyalty, gentleness, humor, love, anger, greediness and stubbornness yet this story is inspirational and fun to enjoy. With the full flavor of the West and the oftentimes deceitful actions of others, this heartwarming love story adds so much to the rich, engaging plot" --*Portland Book Reviews*
