Spy Guy: The Not-So-Secret Agent By Jessica Young

Spy Guy is a spy—but not a very good one. He's too loud, too squeaky, and in need of a good disguise. All Spy Guy wants is to figure out the secret to spying. But as the Chief says, *that* he must discover for himself. With a lot of trial and even more error, can Spy Guy figure out the secret to spying?

Editorial Review

From School Library Journal

PreS-Gr 2—"Spy Guy was a spy. But not a very good one." Readers observe a boy knocking his head on the table as he's trying to hide under it, sending a lamp to the floor, and startling his sleeping cat. In an effort to improve his spying skills, he visits "the Chief"—his dad—who gives him a series of rhyming pieces of advice ("if you seek to sneak, try not to speak") that he attempts to follow, with mixed results. Finally, the Chief answers the boy's plea for "the secret to spying" with a challenge: Spy Guy needs to successfully sneak up on the Chief. With this mission finally accomplished, Spy Guy has yet another rhyme to share: "The secret to spying is never stop trying." Santoso's illustrations are the highlight of this amusing, if light, picture book. The large amount of white background space allows readers to focus on details like Spy Guy's wide variety of facial expressions and the various moods of the cat, whose story is told exclusively in the illustrations. A spider, which is never mentioned, appears on every page, allowing readers to do some spying of their own to find it. VERDICT Fluffy fun that promotes visual literacy and will make a positive addition to interactive storytime collections.—Jill Ratzan, I. L. Peretz Community Jewish School, Somerset, NJ

Review

"Fluffy fun that promotes visual literacy and will make a positive addition to interactive storytime collections."

—*School Library Journal*

"Santoso's art conveys broadly comical action, and his slightly retro palette and exaggerated cartoon style are well-suited to the undercover prowess Spy Guy seeks."

—*Kirkus*

"Santoso's crisp images and liberal use of white space keep the focus on domestic comedy...but it quickly turns into a tribute to savvy parental mentoring."

—*Publishers Weekly*

"Santoso's wonderfully noirish illustrations make this book fun and engaging, as do Young's rhyme schemes and wordplay."

—*Booklist*
