The Code of the Holy Spirit: Uncovering the Hebraic Roots and Historic Presence of the Holy Spirit By Perry Stone

It's time to rethink what you know about the Holy Spirit.

When one of the head rabbis in Jerusalem told Perry Stone that, according to a Jewish tradition, on the Day of Atonement the high priest spoke in a supernatural “language of God,” his interest was piqued, and his heart set out on a journey to discover lesser known details and insights concerning the Holy Spirit.

In *The Code of the Holy Spirit* Stone shares his discoveries, providing a unique view of the Holy Spirit through the lens of Old Testament writings and Jewish tradition. In addition to revealing the Holy Spirit’s presence throughout the Old Testament—including clues revealed in the Hebrew feasts about the Day of Pentecost--Stone answers questions such as:

- What is the chemistry of the anointing?
- What is the significance of the wind and the Holy Spirit?
- What is the code concealed in the menorah?
- Can a believer blaspheme the Holy Spirit?

Whether you’ve been taught a doctrine, embarked on your own study of Scripture, observed others operating under the Holy Spirit’s power, or had a personal life-changing experience, this insightful book will give you a deeper understanding of this member of the Godhead than you’ve ever had before.
