Through these short classic works, which feature forewords by leading contemporary authors, the modern reader will be introduced to the greatest writers of Europe and America. An elegantly designed series of exceptional books.

"Conducted" by Charles Dickens and counting Elizabeth Gaskell and Wilkie Collins among its contributors, "The Haunted House examines quintessentially Victorian themes—sex and longing, nostalgia and loss—in ways that continue to resonate today. Ingeniously conceived and written, and spiked with flashes of Dickensian humor, this volume is a strange and sheer delight.
