**Ancient Medicine (Sciences of Antiquity Series)** By Vivian Nutton

Available for the first time in paperback, this first large-scale, sole-authored history of ancient medicine for almost 100 years uses both archaeological and written evidence to survey the development of medical ideas from early Greece to late Antiquity.

Vivian Nutton pays particular attention to the life and work of doctors in the communities, links between medicine and magic, and examines the different approaches to medicine across the ancient world.

With many texts made accessible for the first time, and providing new evidence, this broad exploration challenges usual perspectives, and proves an invaluable resource for students of both classics and the history of medicine.

## Editorial Review

Review

**'A worthy enterprise ... the result is a masterful evaluation of health and disease ... Galen would have been pleased.'** *W.F Bynum, The Times Higher Education Supplement*

**'[A] near-masterpiece, *Ancient Medicine* is a huge quarry, fit for mining and exploitation by those who have the proper equipment.'** - *BMCR*

**'Vivian Nutton has written a magisterial history ... [that] has done the worlds of classical scholarship and medical history a true service'** – *Julie Laskaris, University of Richmond, Virginia*

## Users Review

**From reader reviews:**

**Trevor Wright:**

As people who live in often the modest era should be up-date about what going on or details even knowledge to make these people keep up with the era which can be always change and move forward. Some of you maybe can update themselves by looking at books. It is a good choice for you but the problems coming to anyone is you don't know what kind you should start with. This Ancient Medicine (Sciences of Antiquity Series) is our recommendation to help you keep up with the world. Why, as this book serves what you want and want in this era.

**Kathryn Glover:**

Reading a publication tends to be new life style on this era globalization. With studying you can get a lot of information that will give you benefit in your life. Along with book everyone in this world can easily share their idea. Guides can also inspire a lot of people. Many author can inspire all their reader with their story or perhaps their experience. Not only the story that share in the textbooks. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors nowadays always try to improve their ability in writing, they also doing some analysis before they write on their book. One of them is this Ancient Medicine (Sciences of Antiquity Series).

**John Warner:**

Within this era which is the greater person or who has ability in doing something more are more valuable

than other. Do you want to become among it? It is just simple way to have that. What you should do is just spending your time little but quite enough to experience a look at some books. One of the books in the top listing in your reading list is Ancient Medicine (Sciences of Antiquity Series). This book which can be qualified as The Hungry Hillside can get you closer in turning out to be precious person. By looking upward and review this publication you can get many advantages.

**Dixie Santiago:**

A lot of reserve has printed but it is unique. You can get it by internet on social media. You can choose the very best book for you, science, comedy, novel, or whatever through searching from it. It is referred to as of book Ancient Medicine (Sciences of Antiquity Series). You can include your knowledge by it. Without causing the printed book, it could add your knowledge and make you actually happier to read. It is most important that, you must aware about book. It can bring you from one location to other place.
