Betrayer (Horus Heresy) By Aaron Dembski-Bowden

The latest title in Black Library's premium line, the Horus Heresy

The Shadow Crusade has begun. While the Ultramarines reel from Kor Phaeron's surprise attack on Calth, Lorgar leads the rest of the Word Bearers deep into the realm of Ultramar. Their unlikely allies, Angron and the World Eaters, seem blind to the true goals of the mission, preferring instead to ravage each new civilisation they come across – but where Lorgar might once have chastised his wayward brother, now he seems only to encourage the frenzied bloodletting. Worlds will burn, Legions will clash and a primarch will fall... and the fate of the entire galaxy hangs in the balance.

Editorial Review

About the Author

Aaron Dembski-Bowden is a British author with his beginnings in the videogame and RPG industries. He's written several novels for the Black Library, including the Night Lords series, the Space Marine Battles book Hellsreach and the New York Times bestselling The First Heretic for the Horus Heresy. He lives and works in Northern Ireland with his wife Katie, hiding from the world in the middle of nowhere. His hobbies generally revolve around reading anything within reach, and helping people spell his surname.

Users Review

From reader reviews:

Janet Medley:

Nowadays reading books be than want or need but also be a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book which improve your knowledge and information. The info you get based on what kind of reserve you read, if you want send more knowledge just go with schooling books but if you want experience happy read one along with theme for entertaining for instance comic or novel. The actual Betrayer (Horus Heresy) is kind of publication which is giving the reader erratic experience.

Carmela Randle:

Why? Because this Betrayer (Horus Heresy) is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will jolt you with the secret the idea inside. Reading this book adjacent to it was fantastic author who write the book in such remarkable way makes the content inside of easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you for not hesitating having this any longer or you going to regret it. This book will give you a lot of rewards than the other book possess such as help improving your skill and your critical thinking method. So , still want to hold off having that book? If I have been you I will go to the guide store hurriedly.

Amber Tyson:

Your reading 6th sense will not betray you, why because this Betrayer (Horus Heresy) publication written by well-known writer whose to say well how to make book that can be understand by anyone who else read the book. Written inside good manner for you, still dripping wet every ideas and producing skill only for eliminate your own hunger then you still hesitation Betrayer (Horus Heresy) as good book not simply by the cover but also by content. This is one guide that can break don't ascertain book by its protect, so do you still needing an additional sixth sense to pick this!? Oh come on your studying sixth sense already said so why you have to listening to yet another sixth sense.

Helene Anderson:

With this era which is the greater person or who has ability to do something more are more treasured than other. Do you want to become one among it? It is just simple solution to have that. What you should do is just spending your time little but quite enough to have a look at some books. One of many books in the top listing in your reading list is definitely Betrayal (Horus Heresy). This book and that is qualified as The Hungry Inclines can get you closer in becoming precious person. By looking upwards and review this e-book you can get many advantages.
